Eloy, AZ 85231

Dear Judge, Magistrate or Clerk,

Today is April 22, 2008. This is the inquiry into the status of both my cases, with the Federal District Court of the District of Hawaii. I would continue to patiently wait but after recently hearing from the Federal Public Defender that you only have my civil complaint listed I humbly request an explanation.

I have a civil and a criminal appeal with your Courts and with both cases I am being ignored. Is it because of the way I came across in my appeal and during trial as being demanding and too forceful. Am I also being brushed off because of my disability and because you all think I'm mentally ill when I'm not and that I should be treated less fairly than other American citizens? Please answer to that?

Anthony Nesbit receives the status of our civil complaint regularly. You send him all the required papers and copies yet entirely leave me out. I've received nothing from your Court ever since I filed my criminal appeal and had my civil complaint dismissed in your Federal District Court. Right after this during that very same summer of 2006 we appeal to San Francisco's 9th Circuit Court of Appeals, but your Court completely ignores me as if I were trash and less than human.

For God's sake it's been  $15\frac{1}{2}$  years and I still do not have my trial transcripts, Grand Jury Indictment, Police Reports, Discovery material and evidence and/or access to the evidence in my horrific and terrible criminal tragedy case of C.R. no. # 92-2780. Why am I being entirely denied due process of the Law and equal protection of the laws of both Constitutions state and Federal.

CLERK U.S. DISTRICT COURT

APR 24 2008

DISTRICT OF HAWAII

How come all the Courts do not respond and give me all my case materials and keep denying me due process, equal-protection and every single one of my other rights under the Constitutions of both United States of America and state of Hawaii.

Please be so kind and send me a computerized-index log of all my mail to as well as From the Federal District Court of the District of Hawaii.

Your concern, assistance and time in this matter is needed and much appreciated.

Respectfully submitted,
